

Re-enrolment information for patients formerly enrolled with Dr. Jane Glassco:

Dear patients of Dr Glassco,

The Patient Enrolment and Consent to Release Personal Health Information forms have not yet arrived from the Ministry of Health.

Dr George Kitching will assume the practice effective October 1 2024, and existing patients will have the opportunity to have him as their family doctor. To do this, patients will need to come to the clinic and sign the form before March 31, 2025. This can be done during our regular office hours of 9:00am - 12:00pm, and 1:00pm - 5:00pm. Evening rostering hours will also be offered. Forms unfortunately cannot be emailed. If attending the clinic in person before March represents a hardship, please let us know and we will do our best to accommodate.

We will inform patients when the forms are ready, with another email and by posting on the Loyalist Family Health Team website www.loyalistfht.com

Please note Dr Kitching is assuming a large practice and will not be accepting new patients beyond those who were already rostered to Dr Glassco.

Thank you for your understanding.

Lesley and Gill, administration team for Dr Glassco and Dr Kitching
